

Title: Your Yelp

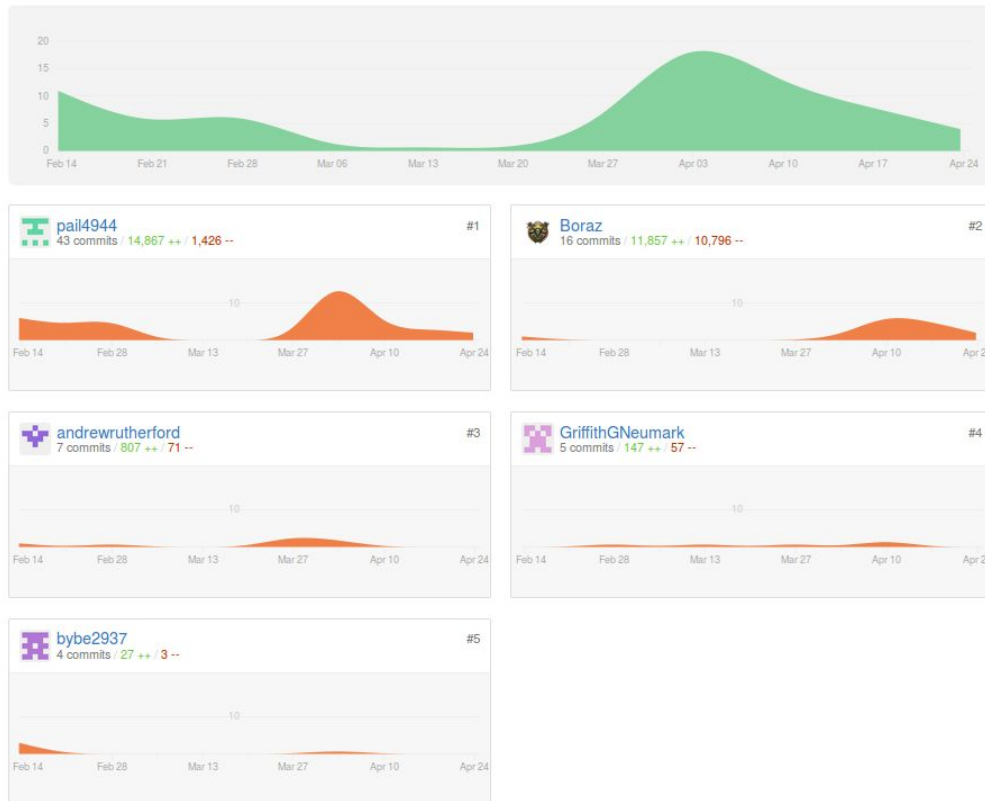

Members: Parker Illig, Daniel Maxson, Andrew Rutherford, Byron Beardon, Griffith Neumark

Project Tracker: <https://www.pivotaltracker.com/n/projects/1538859>

The screenshot displays the Pivotal Tracker interface for a project named 'CSCI3308Spring16 (Public)'. The interface is divided into several sections:

- Left Sidebar:** Contains navigation links for 'STORIES', 'ANALYTICS', 'SETTINGS', and 'MEMBERS'. Below these are filters for 'My Work', 'Current', 'Backlog', 'Icebox', and 'Done'. There are also sections for 'Epics', 'Labels', and 'Project History'.
- Top Bar:** Includes a search bar labeled 'Search project', a 'WHAT'S NEW' button, a 'HELP' link, and a user profile icon labeled 'PAIL4944'.
- Main Content Area:** Shows three columns of project items:
 - Done:** A list of completed tasks including 'investigate yelp API (PI)', 'Design index.html (PI)', 'create working buttons and forms (PI)', 'link page to yelp API (PI)', 'create basic structure for index.html (PI)', 'leaflet visualization (PI)', 'create testing suite (PI)', and 'autodocument javascript (PI)'. Each item has a star icon, a progress bar, and a 'Pts' value.
 - Current:** A single task 'Create user info database (GN)' is shown with a 'Finish' button.
 - Icebox:** A list of tasks in the backlog, including 'Test the page for accuracy and bugs', 'create account page', 'create login page / modal', 'basic login', 'discuss User functionality and interaction while using the page', 'Finalize project scope', and 'choose color scheme'. Each item has a 'Start' button.
